Dear Mack Madness, Inc.:

Thank you so very much for your continued support of Autism York! We are extraordinarily touched by your donations!

The mission of Autism York is to provide support to individuals on the autism spectrum, their parents, families and friends. Our group exists for the sole purpose of providing support in a safe and friendly environment. Through this group we offer opportunities for families and individuals on the autism spectrum to learn, grow, and develop relationships that help guide one another through this journey. It is through donations like yours that enable us to provide quality opportunities and support to the local autism community.

According to the CDC, 1 in 68 children are now diagnosed with Autism Spectrum Disorder. The Pennsylvania Bureau of Autism Services recently released state-wide and county census information. In 2005, there were close to 20,000 Pennsylvanians living with autism. The number rose to over 35,000 in 2011. In York County alone the number increased from 566 in 2005 to 1184 in 2011. The continued growth in the prevalence of autism in our community means that your donation and our mission are incredibly important.

We would love to share with you in more detail about how your donation is being used. Please consider visiting our website, www.autismyork.org, and subscribe to our newsletter announcements. You can also keep up with our programs and events by "liking" Autism York on Facebook.

Thank you again for your continued generosity and support!
