Dear Ed and Lisa,

Thank you for your continued support of Leg Up Farm and the services we provide to children with special needs and their families.

In 2017, we will provide over 20,000 therapy appointments and we work hard every day to meet the demand from our community for quality, comprehensive, therapeutic programs and services. We could not provide these services without your support and support from our friends and neighbors.

On behalf of the children who rely on Leg Up Farm, I want to thank you for your generosity. Please don't hesitate to contact me if you have any questions or if you need any additional information.

Sincerely,

Jennifer Hitz
Development Director
